

# Year 6

## Digital Citizenship Pledge

We pledge to be good online citizens by...

- We will speak to a trusted adult if we feel uncomfortable about anything we see online
- We will use the report function where possible to report any unkind behaviour – we will support our friends who need support in doing this.
- Ensuring we use appropriate and kind language when online
- We will keep ourselves safe by not sharing any personal information
- We will ‘pause before we post’ and consider the impact of what we share online – the internet is written in pen not pencil!
- We will treat others as we like to be treated
- We will make sure that the content we access is age appropriate
