KSI Acceptable Use of Technology Policy

I understand that the Harrison Acceptable Use Policy will help keep me safe and happy online.

- I only use the internet when an adult is with me.
- I only click on links and buttons online when I know what they do.
- I keep my personal information and passwords safe.
- I only send messages online which are polite and friendly.
- I know the teachers and adults at Harrison can see what I am doing online when I use school computers and tablets.
- I always tell an adult/teacher/member of staff or trusted adult if something online makes me feel upset, unhappy, or worried.
- I have read and talked about these rules with my parents/carers.

I have read, understood and agreed to comply with Harrison Primary School KSI
Acceptable Use of Technology Policy when using the internet and other associated
technologies.
