(dress-up day)

Tues 5th Dec AM - Bumblebee Nativity

Wed 6th Dec AM - Caterpillar Nativity

Thurs 7th Dec AM - Ladybird Nativity

Mon 11th Dec

Whole School Carol Service

Tues 12th Dec

Christmas Lunch

All Tapestry accounts should now be activated. We hope you are enjoying finding out what the children are learning in class each week!

What are we learning this term?

This half term our main aim is to continue to get to know your children and help them to settle at school. We will be following the Early Years Foundation Stage curriculum and continue to adapt our environment according to the interests of the children.

We have been working on Phase One Phonics skills. The children have been taking part in games to help develop their listening skills and distinguish the different sounds and rhythms.

Soon, we will begin to learn our letter sounds and start to read and write simple words. Keep a look out on Tapestry as we will post our new sounds weekly so you can practise them at home too. It is important to practise the sounds daily using the sound card that we will send home in your child's book bag.

In Maths, we will be begin developing our number knowledge through our Mastering Number scheme. The children will develop an important skill of 'subitising'. This where children say how many there are in a small group of objects without needing to count them.

Reminders

- Please label ALL belongings (shoes included) - check and refresh regularly.
- Warm, waterproof coat every day - we will spend time outside whatever the weather.
- Book bags and reading diary in school daily - we change reading books once a week.
- Please continue to encourage independence putting coats on and fastening them.
