

Year R Spring Newsletter 2025

We have been so proud of how the children have settled back after their exciting Christmas holidays and wish you all a very Happy New Year! The Spring term brings lots of exciting learning opportunities in Reception and we look forward to sharing them with you!

Spring dates for your diary

13th Feb - Inset Day

26th Feb - Class photos

6th March - World Book Day

W/C 23rd March -
Teacher/ Parent meetings
(Details to follow)

27th March - Inset Day

What are we learning this term?

Literacy - During the first half term we will enjoy sharing familiar traditional tales such as The Gingerbread Man and The Three Billy Goats Gruff. We will be discussing main characters and events and retelling the story. After half term we will explore a variety of non fiction texts looking at key features and using them to find out facts and information.

Phonics - In Phonics we will continue to learn Phase 3 phonemes and HRS words. In Phase 4 we will recap all previously taught sounds and begin to blend and segment longer words containing consonant blends.

Maths - We will continue to develop our knowledge of numbers 6-10, recognising, ordering, counting accurately and the composition of those numbers.

We will also learn about different 4 sided shapes and explore mass and capacity.

Reminders

Please ensure your child comes to school wearing a warm, waterproof coat with a hat and gloves in the colder weather - all clearly labelled please.

Children can continue to bring in a healthy snack - see tapestry post for suggestions.

We are a nut free school - please ensure snacks and packed lunches **do not** contain nuts.

If you are aware your child has used their spare clothes kept in school, please can you make sure they are topped up.
